

# Telehouse South

Blackwall Yard, 1 Paul Julius Close, London E14 2EH

## Telehouse has expanded its iconic London Docklands Campus

Opened in early 2022, Telehouse South provides a maximum of 15MW of IT power and integrates with the main Telehouse London Docklands campus via a dark fibre network. The new data centre offers access to more than 800 connectivity partners flowing into the campus. It is located approximately 300 metres from the main London Docklands campus at Blackwall Yard, 1 Paul Julius Close, London E14 2EH.
